

SERIES 5 'OPEN DIAL'

FEATURING:

HOURS

MINUTES

SECONDS

UP/DOWN INDICATOR

"I had always wanted to reveal a stratum of the watch that is not normally seen by anyone apart from the watch maker – the under-dial work. So, in 2008 I conceived the Series 5 Open Dial watch, finally completing the first one in 2010."

ROGER W SMITH

MOVEMENT

- Roger W. Smith's latest single wheel version of the Daniels co-axial escapement
